KIDS BABY
Flora Socks & Hosiery

collection

About Us

Flora Hosiery Industry&Trade LLC was founded in 2012 at Corlu, a province of Tekirdag.

Our company uses the latest technological machinery and can manufacture between 10 to 250 denier stockings with the demand of our customers.

With the years of gained experience and following the changing consumer demands and the advances in technology, quality and great emphasis on customer satisfaction, continuous improvement and development of socks is essential for Flora Hosiery. As a result of quality which has won the admiration of consumers in a short time with the unique product in terms of aesthetics and elegance.

Flora Hosiery produces under the brand name of Eva Rosabella which produces ladies and kids hosiery is available at multiple points in local and abroad markets. with the ever increasing service network and brand recognition Flora Hosiery is poised to be among the leaders of the hosiery market.
